

CITY of CARPINTERIA, CALIFORNIA

December 16, 2019

SUBJECT: City of Carpinteria 2020 Pre-Qualified Contractors List

To Prospective Contractors:

The City of Carpinteria (City) is in the process of establishing the 2020 Pre-Qualified Contractors List for future City public works projects. This list may also be used for on-call emergency work. In accordance with Carpinteria Municipal Code Section 3.32.200 (Informal bidding procedures) and the Uniform Construction Cost Accounting Procedures (Public Contract Code Section 22030 et al.), the City is required to maintain a list of qualified contractors identified according to categories of work for informal bidding of public works projects. The categories of work would include any of the license classifications as issued by the Contractors State License Board. In public works contracts, the City must determine the license classification necessary to bid and perform the project. In no case will the City award a prime contract to a specialty contractor whose classification constitutes less than a majority of the project. When a specialty contractor is authorized to bid a project, all work to be performed outside of its license specialty, except work authorized by Business and Professions Code Section 7059(a), shall be performed by a licensed subcontractor in compliance with the Subletting and Subcontracting Fair Practices Act.

Qualified contractors interested in being placed on the 2020 Pre-Qualified Contractors List are required to complete and electronically submit the attached 2020 Pre-Qualified Contractors Information Form. The form is due **no later than the close of business on Friday, January 31, 2020**, to the following contact:

Mr. John L. Ilasin, P.E.
Public Works Director/City Engineer
johni@ci.carpinteria.ca.us

If you have any questions regarding the 2020 Pre-Qualified Contractors List, please contact Mr. Joshua Patricio, Engineering Technician, at (805) 755-4445 or joshuap@ci.carpinteria.ca.us.

Sincerely,

A handwritten signature in black ink, appearing to read "John L. Ilasin".

John L. Ilasin, P.E.
Public Works Director/City Engineer
