

PLAN FOR RESILIENCY AND SEA LEVEL RISE IN CARPINTERIA

Monday, August 21, 2017 at 5:30 p.m.

Carpinteria City Hall - Council Chamber
5775 Carpinteria Avenue
Carpinteria, CA 93013

Help keep Carpinteria safe and resilient to climate change by participating in this sea level rise meeting in support of the City's General Plan/Coastal Plan Update. Join in a discussion about projected sea level rise in our City, our City's vulnerabilities, and the adaptation strategies we can take to keep our city safe. What resources do you think are the most important to protect from sea level rise in our community? Come to this meeting and let us know.

For more information, call Julia Pujo at (805) 962 0992 x240 or visit
