Peter Winn – Chair  
Carol Terry  
Christopher Newton  
Kathy Henry  
Leland Walmsley

**Location:**

Council Chambers  
5775 Carpinteria Avenue  
Carpinteria, CA 93013  
Time: 5:30 P.M.

**CITY OF CARPINTERIA  
TREE ADVISORY BOARD**

**THURSDAY, JANUARY 24, 2013**

**A. CALL TO ORDER**

**B. ROLL CALL**

**C. PUBLIC COMMENT**

This is a time for public comments on matters not otherwise on the agenda, but within the subject matter jurisdiction of the Tree Advisory Board.

**D. OLD BUSINESS**

1. Status Report on Action Items for the Department of Public Works

**E. NEW BUSINESS**

1. Review of Annual Street Tree Maintenance Plan
2. Discuss Public Workshops for Addressing Special Condition Street Trees
3. Discuss Possible Study of Italian Stone Pines on Seventh Street

**F. MATTERS PRESENTED BY STAFF**

**G. ADJOURNMENT**

Note: In compliance with the Americans with Disabilities Act, if you need special assistance to participate in this meeting, please contact the Department of Public Works at (805) 684-5405, extension 445 or through the California Relay Service at (866) 735-2929. Notification 72 hours prior to the meeting will enable the City to make reasonable arrangements to ensure accessibility to this meeting.

CITY OF CARPINTERIA  
5775 CARPINTERIA AVENUE  
CARPINTERIA, CA 93013

**NOTICE OF REGULAR QUARTERLY MEETING  
OF THE TREE ADVISORY BOARD**

Notice is hereby given that the City of Carpinteria Tree Advisory Board will meet at 5:30 P.M. on Thursday, January 24, 2013 in the City Hall Council Chambers, 5775 Carpinteria Avenue, Carpinteria, California. The Tree Advisory Board acts as an advisory to the City Council, City Manager, and City Staff and meets quarterly to discuss and administer all street tree matters. The meeting agenda will be posted on the Department of Public Works web page at [www.carpinteria.ca.us](http://www.carpinteria.ca.us) on Friday, January 18, 2013.

All interested persons are invited to attend, participate, and be heard. Persons wishing to participate who are unable to attend may send written comments to the Department of Public Works, 5775 Carpinteria Avenue, Carpinteria, CA 93013.

Note: In compliance with the Americans with Disabilities Act, if you need special assistance to participate in this meeting, please contact the Department of Public Works at (805) 684-5405 ext. 445, or through the California Relay Service at (866) 735-2929. Notification 72 hours prior to the meeting will enable the City to make reasonable arrangements to ensure accessibility to this meeting.

**TREE ADVISORY BOARD**

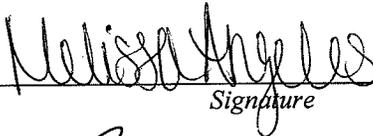

MEETING DATE: January 24, 2013

**ITEM FOR CONSIDERATION**

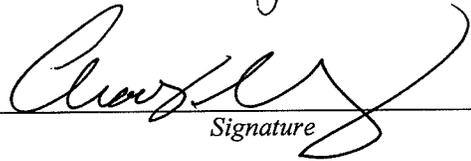

**Status Report on Action Items for the Department  
of Public Works**

Action Item: \_\_\_\_\_ Non-Action Item:  X

**I. RECOMMENDATION**

That the City of Carpinteria Tree Advisory Board receive and file this status report on action items for the Department of Public Works.

Sample Motion: N/A

**II. DISCUSSION**

During the Fall of 2012, the Tree Advisory Board directed that the Department of Public Works replace the following trees. The table below presents the status of each tree replacement:

Address	Tree Species	Comments
4241 Carpinteria Avenue	Italian Stone Pine	Replacement dates to be determined by the Department of Public Works
1330/1336 Vallecito Place	Southern Magnolia	
1296 Byrnes Lane	Weeping Bottlebrush	
608 Maple Street	Myoporum	
608 Maple Street	Myoporum	
5317 8 <sup>th</sup> Street (dead)*	Cork Oak	
1485 Camino Trillado (dead)*	Brazilian Pepper	
5095 8 <sup>th</sup> Street (safety)*	Jacaranda	
5347 Ogan Road (safety)*	Carrotwood	

\*Tree added to replacement list after Public Works Department and West Coast Arborists, Inc. determined that it was dead or unsafe.

**DEPARTMENT OF PUBLIC WORKS**

Page 2 of 2

The Department of Public Works contracts with West Coast Arborists, Inc. for street tree maintenance. West Coast Arborists, Inc. anticipates to have all removals complete by January 2013. A removal list is attached to this report.

**I. RECOMMENDATION**

That the City of Carpinteria Tree Advisory Board receive and file a report on the Department of Public Works 2012-2013 Annual Street Tree Maintenance Plan and Budget.

**Sample Motion:** I move to receive and file the 2012-2013 Annual Street Tree Maintenance Plan and Budget

**II. DISCUSSION**

The Department of Public Works is responsible for maintaining trees within the roadway right-of-way that is owned by the City. The Tree Advisory Board assists the Department in many ways including:

1. Assisting with the development of a Street Tree Management Plan
2. Reviewing and making recommendations regarding the City's Street Tree Work Program and Budget
3. Holding a hearing annually on tree removal requests and make decisions regarding tree removals
4. Advise on technical problems of trees, including spaying, diseases, maintenance, pruning and related problems

A complete list of the Tree Advisory Board's duties and responsibilities is contained in Chapter 12.28 of Carpinteria Municipal Code.

**DEPARTMENT OF PUBLIC WORKS**

Page 2 of 2

The Department of Public Works contracts with a vendor, West Coast Arborists, Inc., for street tree maintenance. Maintenance of ground cover landscaping in the roadway right-of-way is provided by Venco Western, Inc. The Department's work crews also perform street tree and landscaping maintenance on an as needed basis. Public Works annually budgets \$125,000 for street tree maintenance and an additional \$40,000 for other right-of-way maintenance including landscaping. In addition to the regular, ongoing, maintenance work, the Department of Public Works recently completed the Linden Avenue Concrete Repair Project Phase I that included replacing six street trees. The project addressed extensive damage to curb, gutter, sidewalk and roadway asphalt concrete caused by the roots of the adjacent street trees. The project included replacement trees that were recommended by the Tree Advisory Board and approved by the City Council. The total project cost, including engineering, construction and construction management, was \$96,408. Public Works includes tree replacements, filling of vacancies or new trees when possible when preparing Capital Improvement projects.

The Department of Public Works and West Coast Arborists, Inc. develop a tree maintenance plan annually. The plan includes trees that are on one-year and three-year cycles for trimming. Tree trimming occurs throughout the year except during bird nesting season. During bird nesting season, from March 15<sup>th</sup> to July 15<sup>th</sup> Palm Trees are typically trimmed. Birds rarely nest in Palm Trees. The City Biologist inspects any trees that need to be trimmed, including the Palm Trees, during nesting season. During the later part of the year the Department of Public Works, the Tree Advisory Board and West Coast Arborists, Inc. address tree removal/replacement requests. The 2013 Tree Trimming schedule is attached to this report. A special trimming schedule for the Seventh Street Stone Pine Street Trees is also attached.

**TREE ADVISORY BOARD**

MEETING DATE: January 24, 2013

**ITEM FOR CONSIDERATION**

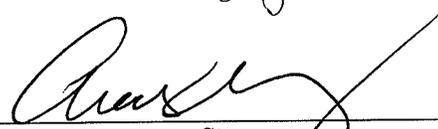

**Discuss Public Workshops for Addressing Special  
Condition Street Trees**

Action Item: \_\_\_\_\_ Non-Action Item:  X

Report prepared by: Melissa Angeles  
Department of Public Works

  
\_\_\_\_\_  
Signature

Reviewed by: Charles W. Ebeling, P.E.  
Director of Public Works/City Engineer

  
\_\_\_\_\_  
Signature

**I. RECOMMENDATION**

That the City of Carpinteria Tree Advisory Board assist the Department of Public Works with the planning of a public workshop(s) for the Special Condition Street Trees. The Department of Public Works recommends that the first workshop(s) be held for Camino Trillado.

Sample Motion: N/A

**II. DISCUSSION**

The City of Carpinteria Street Tree Management Plan identifies nine "Special Condition Streets" in the City of Carpinteria. In general, the Special Condition Streets have large mature street trees. The streets also typically have severe damage to public infrastructure caused by the roots of the trees. The damage often includes lifted sidewalks, curbs, gutters and even street pavement. In many cases, such as along Camino Trillado, the curb, gutter and sidewalk have already been replaced and have been damaged again. In addition to maintenance and safety concerns, the City is obligated to provide pedestrian facilities that meet federal Americans with Disabilities Act standards.

The Department of Public Works is recommending that the City, Tree Advisory Board and members of the Public work collaboratively to find solutions to address the street trees and pedestrian facilities maintenance. Solutions will likely have to balance the desire to keep the existing street trees, funding, and curb, gutter, sidewalk and roadway repairs.

**TREE ADVISORY BOARD**

MEETING DATE: January 24, 2013

**ITEM FOR CONSIDERATION**

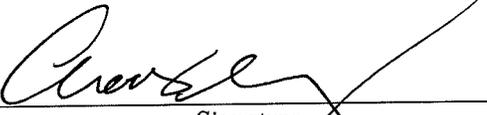

**Discuss Possible Study of Italian Stone Pines on Seventh Street**

Action Item: \_\_\_\_\_ Non-Action Item:  X

Report prepared by: Melissa Angeles  
Department of Public Works

**I. RECOMMENDATION**

That the City of Carpinteria Tree Advisory Board assist the Department of Public Works with recommendations for the study of Italian Stone Pines on Seventh Street. The Department of Public Works also recommends a public workshop be held for Seventh Street, a Special Condition Street, after the study is completed.

Sample Motion: N/A

**II. DISCUSSION**

The City of Carpinteria Street Tree Management Plan identifies nine "Special Condition Streets" in the City of Carpinteria. In general, the Special Condition Streets have large mature street trees. The streets also typically have severe damage to public infrastructure caused by the roots of the trees. The damage often includes lifted sidewalks, curbs, gutters and even street pavement. In many cases, such as along Seventh Street, the curb, gutter and sidewalk have already been replaced and have been damaged again. In addition to maintenance and safety concerns, the City is obligated to provide pedestrian facilities that meet federal Americans with Disabilities Act standards.

Within the last year, two of the Italian Stone Pines on Seventh Street have had to be removed on an emergency basis after significant limbs or trunks have split the tree. The Department of Public Works recommends that a study of the trees be conducted to determine what, if anything, the City can do proactively to ensure the health of the trees and prevent them from splitting and damaging themselves. Once the study is completed, the Department recommends holding a Special Condition Street public workshop(s).
