**STAFF RECOMMENDATION**

Action Item ; Non-Action Item

Approve a first reading of Ordinance No. 654 amending the contract with the California Public Employees' Retirement System (CalPERS), specifically, modifying the terms of the retirement benefits program in order to implement the cost sharing agreement between the City and its employees.

**Motion:** I move to approve Ordinance No. 654 on first reading, as read by title only.

**I. BACKGROUND**

At its regular meeting of May 31, 2011, through adoption of Resolution Nos. 5319 and 5320, the City Council approved the Conditions of Employment for Management and Miscellaneous Personnel. Additionally, through adoption of Resolution No. 5324, the City Council approved the Memorandum of Understanding for Fiscal Year 2011-2012 between the City of Carpinteria and Service Employees International Union (SEIU) Local 620, representing employees in the general service and public works bargaining units.

Resolution Nos. 5319, 5320 and 5324 provided that all employees who are members of the Public Employees' Retirement System shall pay three percent (3%) of the Employer Paid Member Contribution ("EPMC"), effective the first full pay period after July 1, 2011. These resolutions also provide that if permitted by CalPERS, employees will contribute this same amount (3%) to the employer's contribution rate, rather than to the member's contribution, at a later date.

As part of CalPERS contract amendment process, CalPERS requires that an employee election be held. On December 8, 2011, the City of Carpinteria held an employee election to consider changing the employee member contribution rate from 7% (paid for by the City and reported to CalPERS as reportable income for retirement purposes) plus a 3% contribution (paid for by the employees on a pre-tax basis), for a total of 10%. The change would mean that instead of the City paying and reporting 4% of the members' contributions and employees paying the remaining 3%, the City will pay and report the full 7% of the required members' contribution and employees will pay 3% of the City's (employer) required contribution.

The majority of the employees approved the proposed CalPERS contract amendment to provide for employee cost sharing of the City required contribution rate.

Also, one of the steps in the procedures to implement changes to the employer paid member contributions (Government Code section 20516 (a) is the approval by the City of Carpinteria, City Council of a resolution giving notice of its intention to approve an amendment to the CalPERS contract. On December 12, 2011, the City Council approved, Resolution No. 5352, a resolution of intention approving the amendment to the CalPERS contract, modifying the terms of the retirement benefits program.

## **II. DISCUSSION**

The final step to amend the CalPERS contract to modify the terms of the retirement benefits program is for the City Council to approve an Ordinance amending the contract.

The effective date of the Ordinance is 30 days after the City of Carpinteria City Council adopts the final ordinance to amend CalPERS contract.

## **III. FINANCIAL CONSIDERATIONS**

The implementation of cost sharing under Government Code section 20516(a) is part of the cost savings initiatives to balance the City's budget. Additionally, upon implementation of Government Code section 20516(a), employees' retirement benefits will not be affected by the cost sharing arrangement, since it will allow for the reporting of the full seven percent (7%) employee contribution as earnable compensation for purposes of calculating retirement compensation.
