STAFF RECOMMENDATION:

Consent to the designation of Administrative Services Director, John Thornberry, as City Manager pro tempore during the period of time that the City Manager is on vacation.

I. BACKGROUND/DISCUSSION:

The City Manager will be vacationing out of state from December 19, 2011 to January 4, 2012; and therefore, it is appropriate for the purposes of emergency responses (and other situations that may require a designated City Manager to be physically available) that a Manager pro tempore be designated. Carpinteria Municipal Code Section 2.08.060 establishes that in such situations the City Manager designate the Manager pro tempore with the consent of the City Council. The City has designated John Thornberry, Administrative Services Director, as Manager pro tempore and is seeking the City Council's approval. Mr. Thornberry was last called upon to serve in this role on July 12, 2010.
